In this new year it is time to embrace some changes. We need to dump out the old, useless, time-consuming ways and welcome in more of God's ways. For GOD has unique assignments for us all to accomplish here on earth.

**Have you honestly asked the LORD what HE wants for your life?**

**Have you truly honored the LORD and taken time to sit down, get quiet before the HIM, and write down what you are hearing? Speak to HIM and ask HIM according to Psalm 139:23-24 Search me, O God, and know my heart; test me and know my anxious thoughts. Point out anything in me that offends you and lead me along the path of everlasting life.**

4 questions to ask the LORD: (source Lionheart Church, Pastor Otha Turnbough "School of Eternity")

1. What am I doing I should not be doing personally, professionally, spiritually and financially?
2. What am I NOT doing I should be doing?
3. What am I currently doing that I could be doing better?
4. If I were to leave on a sabbatical for 3-6 months and Jesus stepped into every aspect of my life and being what would he change in my absence?
