

**5 Minutes on Faith**  
**Are you Standing as a Watchman on the Wall?**  
**Episode #128**

**Wednesday, October 9, 2024**

**28 days from our national election.**

**Habakkuk 2: 1 NLT** “I will climb up to my watchtower and stand at my guard post. There I will wait to see what the LORD says...”

**Isaiah 21:6** “the LORD said to me, Put a watchman on the city wall. **Let him shout out what he sees.”**

We are all called by God to be watchmen on the wall. We are to speak the truth in love and not worry about the fall out. We must sound the alarm, ring the bell for liberty and vote for justice in this nation. We are not in a time to back down or turn our hand from the plow.

The FCC has already warned us of a likely internet disruption on election day. We see the arrest in Oklahoma of the Afghanistan citizen who was preparing to implement a mass casualty on election day. We have seen the escalation of cyber attacks. We cannot risk not being able to vote on Nov 5<sup>th</sup>.

**Do not wait to vote. As soon as your state opens early voting get to the booth. Submit your vote and track it on line.** Mail in ballots are proven to be much more compromised or likely to be rejected. Vote early and take 10 people with you. Cheating will happen! That has been confirmed by the mouths of the cheaters. They are telling us what they are going to do. **DO NOT UNDERESTIMATE** the plans of the enemy. We must stand watch and sound the alarm. Do not keep quiet, speak out!
