Habakuk 1:5 the LORD said to Habakkuk: “Look among the nations! See! Be astonished! Wonder! For I am doing something in your days. You would not believe it if you were told.”

America is on the precipice of great change and a return of power to the people. We have a focused, righteous leader soon to be reinstated to the White House who has not wasted one moment appointing his cabinet and moving forward with the transition agenda.

Now is **not the time** to relax our hold on our assignments. We need to stay on the front line. Now that the election is over our nation is positioned with a conservative leadership majority. We MUST NOT become weary in well doing. We are not to allow seven spirits to return to our now swept out government.

Luke 11: 23-26,28 Jesus said: “Anyone who isn’t with me opposes me, and anyone who isn’t working with me is actually working against me. When an evil spirit leaves a person, it goes into the desert searching for rest. But when it finds none, it says, “I will return to the person I came from. So, it returns and finds that its former home is all swept and in order. Then the spirit finds seven other spirits more evil than itself, and they all enter the person and live there. And so the person is worse off than before.” Verse 28” ...more blessed are all who hear the word of God and put it into practice.”

Luke 19:13 Jesus’ assignment to each of us in our area of assignment: “Occupy till I come.”
