Job 42:2 "I know that You can *do* all things, and that no plan is impossible for You."

It matters not what we see or hear through the media, God is standing for justice to prevail in every nation, government and community. He wants to **set His children free** from the oppression of the enemy.

Despite the great shaking we are seeing God has a plan and if we will commit to let go of what the world says and walk out our lives as Jesus stated in Matthew 6:33 by seeking first the Kingdom of God and His righteousness **all things** will be added unto us.

I am a living, breathing testimony of God's faithful redemption of my life. And, I have witnessed countless miracles in lives of clients and friends who, over time, surrendered every aspect of their lives to the LORD! God's way always works! If we will try it the first time it will save us a lot of shame and heartache!

Gen 18:14 "Is anything too hard for the LORD?"

No, nothing is too hard for the LORD! He is our ever-present help in time of trouble and is eternally faithful to honor his Word for those who are faithful to walking their lives out according to His Word!
