(A special thanks to Cheryl Baldwin who shared this message on FB this morning. To Radiate Confidence resonated in my spirit all morning and I had to share it.)

John 16:33 In this world you shall have tribulation but be of good cheer for I have overcome the world!

Strong's Concordance

Tribulation: Afflictions, persecutions, compression, internal pressure, restricted, trapped without options...boy have I felt like that before.

Good Cheer: take good courage, be built up, emboldened with courage, unflinching, to radiate confidence...what a remarkable image this portrays!

How: because I (GOD) have overcome the world...it is already done!

If we let Him, He WILL lead, guide, and provide. As a result, God will infuse His strength through the inner working of our faith in Him.

What is challenging your life? Financial pressure, health challenges, family challenges, professional setbacks, marriage issues...

God has a solution for every issue of life. It is up to us to lay hold of His promises, confess His WORD and listen to His voice of correction and direction which are always for our protection and perfection.

Isaiah 40:31 Those who wait upon the LORD shall renew their strength, you will mount up as wings on eagles, you will run and not grow weary, walk and not grow faint!
