**Mystery**: something not understood, profound, inexplicable, that **one can only know by revelation** but not fully understand

**Quantum**: very small increments or parcels into which many forms of energy are subdivided.

**Faith**: belief and trust in and loyalty to God.

**Hebrews 11:3** NLT “By faith we understand that the entire universe was formed at God’s command, that what we now see did not come from anything that can be seen.”

**Genesis 1** presents detailed examples of what God spoke and **it was so...**

**Verse 3-5**: And **God said**: ‘Let there be light’ and there was light, and he separated the light from the darkness and **God called the light “day” and the darkness he called “night”** ...

This is a remarkable illustration of how the vibration of God’s words, spoken into the atmosphere, caused the substance of light to activate and become visible.

**Verse 6-8**: And **God said**: Let there be a vault between the waters to separate water from water. So, God made a vault and separated the water...**God called the vault “sky”** and there was evening and there was morning.”

**Verse 9**: **And God said**: Let the water under the sky be gathered into one place and let dry ground appear. And it was so.”
